The Period of the Catechumenate

The Second Period, called the Catechumenate, is the longest and most catechetical of all the periods. It is characterized by handing on the *Deposit of Faith*, found in Sacred Scripture and Tradition, together with a sense of mystery of the Church that comes with a deeper understanding through participation in Celebrations of the Word.

The Period of Purification

This phase takes place during Lent, and is marked by 3 community celebrations known as **Scrutinies**. During this period, the elect and the parish community together focus on conversion, scrutinize their lives in light of the gospel and celebrate the presentations of the Creed and Lord's Prayer. These scrutinies coincide with the 3rd, 4th and 5th Sunday's of Lent, and they ask God for healing and forgiveness of the elect.

The Period of Mystagogia

"Mystagogia" is a strange word that is gradually returning to the Christian vocabulary. It means "going deeper into the mysteries" that is, into the truths of the faith. Mystagogia describes the ancient custom of spending the first week of Easter with the newly baptized, helping them experience the depths of the truths they had accepted in their Baptism, Confirmation and first Eucharist.
